

ADMISSIONS TOUR

Our campus tours are generally conducted on second Thursday of each month, starting at 9:00 am. Our campus tours usually last 30 to 40-minutes.

Please call us at 532-0522 to let us know that you are coming and what grades you are interested in.

We also conduct personal tours; call us at 532-0522 to schedule a time that would be more convenient for you to tour our campus.

These tours are intended for parents, guardians, and other interested adults. If at all possible, please make arrangements for child care.
